REMARKS

This is UNEVALUATED Information

25X1

1. On 4 July 1955, it appeared that Polish troops were located in the area of Borowy Mlyn (P 54/N 23) and near Charzykowy (P 54/N 41) or near Jez. Charzykowskie (Mueskendorfer See, lake). They came from ~~Swiecie Kolobrzesckie~~ (P 54/J 09), Grudziadz (Q 54/D 53) and Schneidemuhl ~~Swiecie Kolobrzesckie~~. 25X1

2. In July 1955, camouflage fences about 2.5 meters high were set up on the Polish bank of the Oder River in the area ~~between the towns of Borowy Mlyn and Charzykowy~~. They were observed in the sector between the ~~town of Borowy Mlyn~~ and the entrance to the Schwedt sluice. On this stretch ~~the distance was about 7 kilometers~~ long, the trees near the bank were cut down up to a distance of about 100 meters from the river. In addition abrupt slopes were made by digging off the ~~adjacent~~ bank terrain. A camouflage fence was allegedly constructed along the entire ~~length~~ of the border along the Oder River which was about 160 kilometers long. 25X1

1. Comment. Troop training grounds or troop camps (summer camps) near the two towns which are mentioned in the present report are reported for the first time. 25X1

2. Comment. Camouflaging measures of this kind are reported for the first time.
